## Panini Grill

### GPG10R/GPG15R/GPG20M Panini Grill

General Panini sandwich grills offer great versatility for all types of sandwich heating and are equipped with enough power to cook chicken breasts, burgers, boneless steaks & chops. Compact and easy to clean, the General Panini grills will accommodate up to a 4" thickness. The unit features stainless steel construction as well as cast iron plates with a ceramic coating treatment that allows for perfect thermal conductivity. The self balancing upper plates ensures full contact with the product and the adjustable thermostats up to 572°F (300°C) give you complete control.
